PRINTERS LOSE TO POSTOFFICE

Typesetters Tie Game Several Times but Are Defeated by 7-to-4 Score.

Standings in the Twilight league tonight:

Club	W.	L.	Pct.
Students	2	0	.1000
Soldiers	2	1	.666
Postoffice	2	1	.666
Bankers	1	1	.500
Clerks	1	1	.500
Barbers	1	2	.333
Printers	0	3	.000

The typesetters fought hard last night in an effort to get out of the cellar position in the league but were forced to take the short end of a 7-to-4 score handed them by the mail hustlers.

In the first three innings neither team found a scoring combination but in the first of the fourth the carriers opened up with three runs. The Printers retaliated with a run in their half of the frame. The Postoffice went down in quick order in the first of the fifth but the Printers took advantage of the lull and garnered two runs in four hits off Wells, Postoffice hurler, tying the score.

In the first of the sixth, after six men had widdled the stick, the carriers put a run across the plate breaking the deadlock. But it was short lived, the typesetters cracking out a two bagger and a safety for one run, again put the game on an equal basis.

In the deciding stanza, the Printer

twirler apparently slacked up, filling the bases. Hill, carrier first baseman, then clouted out a hot bouncer to short which he missed and was finally recovered in center field after three runners had scored. Hill was pegged out at third while trying to stretch his two-base hit into a three bagger. The Printers failed to get a runner safely past first in their share of the inning.

It was the hardest-fought game played on the schedule to date. Both pitchers were forced to put out all their wares in several stages of the game.

The Clerks and Soldiers will mix for honors next Tuesday evening, July 19. The score by innings:

Postoffice 000 301 3-7 13 4
Printers 000 121 0-4 13 4

Batteries for the game last night were: Postoffice, Wells and B. Rutter; Printers, Pollock and Hutton.

"BOB" MARTIN UP A NOTCH

A. E. F. Heavyweight Champ

Knocks Out Frank Moran.

"Bob" Martin, heavyweight champion of the A. E. F. fighting forces, knocked out Frank Moran of Pittsburgh in the seventh round of a scheduled twelve-round match at the Bronx boxing dome last Tuesday night.

By laying Moran out for the count, Martin has shown the public that he packs a punch and is able to take severe punishment. Moran is slow and he lacks science but it takes a good fighter to rock one of the most rugged 200-pound scrappers to sleep that this country has produced.

Martin also demonstrated that he could take a wallop, shake it off and stand up under it, a pretty necessary re-

quisite to the fighter who expects to rock the crown off Mr. Dempsey's head. Martin fought against a pretty stiff handicap in weight. Moran tipped the scales at an even 200, while Martin's best was 185 pounds.

Martin is not ready to battle for the heavyweight championship today but he surely is climbing the hill with the rest of the other aspirants. Public attention is now centered upon the heavyweight division and a list of comers such as Tom Gibbons, Bob Martin, Harry Greb, and Capt. Bob Roper, surely look good to the fans.

JOE LYNCH TO FIGHT HERMAN

Bantam Champion Will Defend Title in New York, July 25.

A title bout of considerable interest will be staged July 25 at Ebbets Field, New York, when Joe Lynch, bantam champion, will defend his title in a fifteen-round decision go with Pete Herman, former title holder.

Herman will return in a few days from England where he knocked out the British bantam champion, Lynch, it will be remembered, had a hard time taking the crown away from Herman in New Orleans last year. Herman has been chafing ever since to get a return crack at the belt holder.

This Time Last Year.

Ruth tied his 1919 record by knocking his twenty-ninth homer off Burwell, St. Louis, on the Polo Grounds. He scored two runners ahead of him and won the game 13 to 10. He also broke Frank Baker's record of 77 homers in ten seasons. It was Ruth's seventy-eighth.

NOT MUCH COUNTRY BUTTER

Farmers Haven't Ice to Handle It—Prices a Little Higher.

Country butter demand exceeds the supply according to the grocery merchants here. They say there are two reasons for the shortage—the creamery offers a better price for butter fat than they can pay for butter, and many farmers haven't the ice necessary to prepare butter properly for the market.

Butter prices are gradually rising again, they say, but it is probable that there will be another drop when the country butter supply becomes plentiful again in the fall. Merchants are paying 30 cents in cash and 35 cents in trade for good butter now and are retailing it for 40 cents.
